To Whom It May Concern,

This letter certifies that P-56 is staffed with Halalco's on site Muslim inspector. The inspectors are fully trained in various halal slaughter standards, such as SMIIIC and other worldwide accepted standards.

Poultry products processed in the above mentioned plant receive Halal certificates after the completion of the Halal inspector's supervision, and submission of signed log sheets, by both Halalco's employees, as well as the plant's personnel, which ensures the integrity of the process. This documentation also notates the slaughter dates and helps with the traceability of the product.

With over 25 years of experience, Halalco is recognized domestically as well as internationally for its Halal services.

If you have any questions, please email us at documentation@halalco.us
